

SAFE WATER AND AIDS PROJECT

INTERNSHIP VACANCY ANNOUNCEMENT

Safe Water and AIDS Project (SWAP) is a Non-Governmental Organization (NGO) with a vision of a healthy empowered community where everyone enjoys high quality of life. SWAP started its public health program, research activities and emergency response in 2005 and is operating in Western Kenya with its headquarters in Kisumu. The mission is to provide innovative solutions for improved health and economic status of communities.

As part of our research efforts towards evaluating Morbidity Operational Research in Western Kenya for Bilharziasis Implementation Decisions (MORBID), SWAP is pleased to announce the Internship vacancy below.

Position: Sonographer Interns (6 Positions)

Location: Kisumu

Reporting to: Study Coordinator

Opening Date: April 29, 2019

Job Summary:

The incumbent will be responsible for performing abdominal ultrasound to measure the liver and spleen size as well as measuring the portal branch thickness and portal vein diameter in all Study Participants. The Sonographer should be able to take the images and analyse the findings for any pathology.

Essential Requirements:

- Diploma in Medical Imaging Science from Kenya Medical Training College or any other recognized institution.
- Registration with the Radiation Protection Board of Kenya.
- Strong Interpersonal and Communication Skills (Oral and Written).
- Flexibility in working hours when needed

Duties and Responsibilities:

- Provision of quality and accurate diagnostic imaging procedures in line with MORBID Study protocol and Standard Procedures.

- Differentiating between normal and pathologic findings using independent judgement during Ultrasound Examination.
- Managing work schedule to assure workload coverage.
- Participate in quality assurance procedures and ensure that procedures are followed.
- Troubleshoot supplies issues in the department within the Study.
- Perform other duties that may be given by the Study Coordinator and Principal Investigators.
- Uphold the mission and vision of SWAP.

Terms of Internship: The Internship will be for a fixed period of three months. Payments will be within appropriate SWAP scales and demonstrated competency.

Applications must indicate the following:

1. A cover letter addressing your interest and qualifications.
2. Curriculum Vitae with a daytime telephone number.

Interested candidates who meet the requirements above are encouraged to send in their applications to: Human Resource and Administration Officer, on Email Address: vacancies@swapkenya.org or deliver them to the Kisumu office; off Aga Khan road, behind Royal City Hotel in Milimani Estate.

Applications are due not later than: May 12th, 2019

Only shortlisted candidates will be contacted.
