TENDER FOR CONSTRUCTION OF A SINGLE VIP LATRINE AND REPAIR AND MAINTENANCE OF 3 EXISTING TOILETS
2024

SWAP -Tender Notice

2024

SUBJECT: TENDER FOR CONSTRUCTION OF SINGLE VIP LATRINE AND REPAIR OF 3 TOILETS AT OMBAKA PRIMARY SCHOOL: 2024

INTRODUCTION

SWAP is an award winning NGO, with a mission to provide innovative solutions for improved health and economic status of communities. SWAP started its public health programs, research and emergency response activities in 2005 and is operating in Western Kenya with its headquarters in Kisumu. SWAP is seeking quotations from reputable construction companies for the above mentioned service.

SWAP ETHICS POLICY

As a core value to help achieve our mission, the organization embraces a culture of honesty, integrity, and ethical business practices and expects its business partners to do the same. A specific condition of this notice is for the applicant/bidder to provide correct information to the organization in an honest and legal manner without any fraud or corruption, including kickbacks, bribes, undisclosed family or close personal relationships between the applicant and any organization employee. Any applicant who engages in any such prohibited practice will be non-compliant with the terms of this notice and subject to disqualification. If you experience or suspect unethical behavior by an organization employee, please contact the organization's Country Director on alex@swapkenya.org

SWAP is not bound to accept any tender or give reasons for rejection or acceptance.

APPLICANT QUESTIONNAIRE

Section A (Please read this information carefully before filling out the application form)

- a) The following questionnaire must be fully completed in all aspects
- b) The information given by the applicant shall be treated in strict confidentiality
- c) This form is eligible for single VIP Latrine construction and maintenance of 3 boys' existing toilets i.e. replacement of doors and painting.
- d) The organization reserves the right to visit and inspect the premises of the applicant hence information given in this questionnaire and later found to be incorrect should render the applicant ineligible.
- e) The decision to accept or reject any applicant and deregister an existing contractor shall be at the sole discretion of SWAP Kenya. The organization will not enter into any communication on the decision taken on accepting or rejecting any application.
